Alport Moor (with Disc Poles) Triple Scramble Stack

P-PE-SS-5141

The Alport Moor Robinia Scramble Stack is an adventurous and physically engaging obstacle, designed for primary school aged children. This product is fantastic for improving children's muscle development, balance, stability and their core strength whilst enhancing their confidence and concentration. Because this product can be used by more than one child at any time, it's perfect for social interaction and relationship-building through play, as it encourages co-operation, negotiation, turn-taking, and consideration.

Suitable for ages 5+

KEY MATERIALS

Robinia (Black Locust / False Acacia) is an extremely durable, rot resistant hardwood timber, with no need for treating. Each piece is sanded to create a smooth finish.

Ropes used are polypropylene covered with a galvanized steel core. The rope is 16mm in thickness, and secured by a tamper-proof plastic connecting point, that's hydraulicly pressed into place.

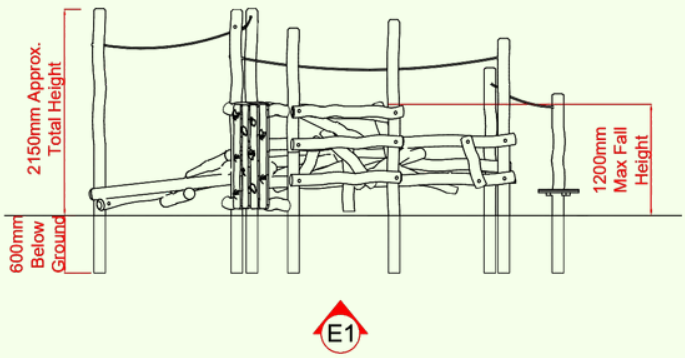

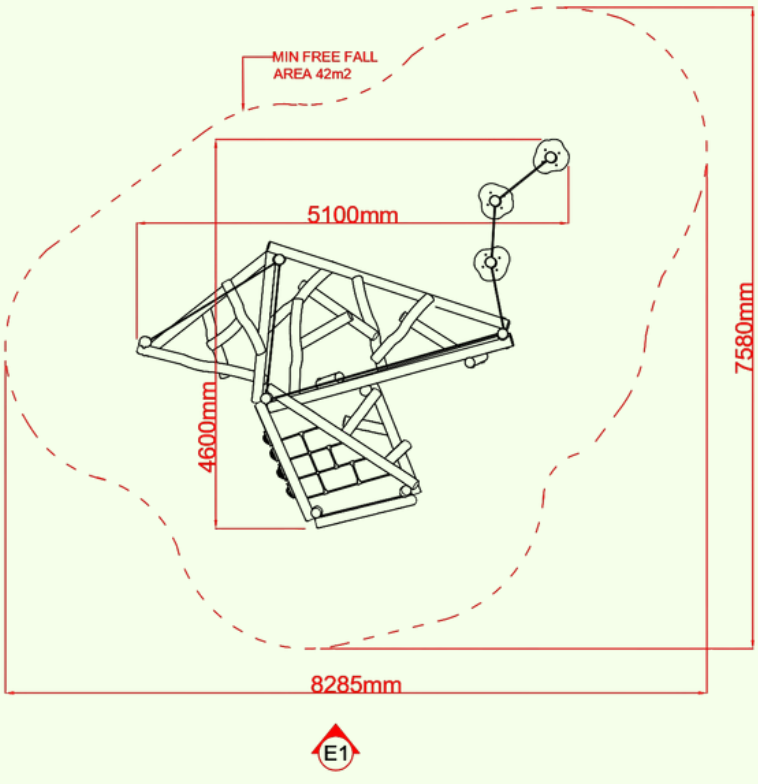

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

DRAWINGS

Free fall/surfacing area - Approx. 42m2
Max fall height - 1200mm

Contact us if loose-fill flooring is used (e.g., bark), as an extra 300mm will need to be allowed for into ground installation.
