Banging Drums

P-PE-MP-6817

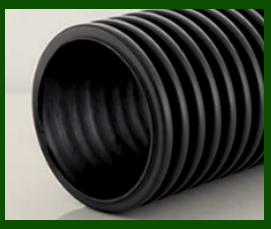

The Banging Drums create an engaging outdoor music experience where children can explore rhythm, sound and movement through hands-on play. Handcrafted from naturally durable Robinia timber, the drums encourage children to experiment with different beats while supporting coordination, listening skills, creativity and social interaction. Ideal for nurseries, schools, parks and sensory play environments, they provide an inclusive musical activity that can be enjoyed independently or as part of a wider outdoor music area.

Suitable for ages 3+
