Black Moss Double Swing Set

P-PE-S-5221

The Black Moss Double Swing Set is an exciting yet charming addition to any outdoor space, designed to deliver an engaging, interactive, and memorable swinging experience. Suitable for use by several children at any one time, it encourages shared play and social interaction to support the development of key social skills. The generously sized basket seat also allows adults to join in, making it a versatile and inclusive feature for the whole family to enjoy.

Suitable for ages 3+

KEY MATERIALS

Robinia (Black Locust/False Acacia) is an extremely durable, rot resistant hardwood timber, with no need for treating. Each piece is sanded to create a smooth finish.

The 1300mm nest basket seat is made from 4 strand 16mm wire reinforced rope with 24mm polypropylene shock absorbing rope wrapped around a galvanised steel ring.

The swing seats are a compact, durable playground seat manufactured from rubber with an aluminium insert for added strength and longevity. Tested to EN1176 safety standards, making them suitable for commercial and public play environments.

DRAWINGS

Free fall/surfacing area - Approx. 52m2

Contact us if loose-fill flooring is used (e.g., bark), as an extra 300mm will need to be allowed for into ground installation.
