# Mam Tor (with Slide Platform) Quadruple Scramble Stack

P-PE-SS-6510

The Mam Tor Robinia Scramble Stack is an adventurous and physically engaging obstacle, designed for primary school aged children. This product is fantastic for improving children's muscle development, balance, stability and their core strength whilst enhancing their confidence and concentration. Because this product can be used by more than one child at any time, it's perfect for social interaction and relationship-building through play, as it encourages co-operation, negotiation, turn-taking, and consideration.

**Suitable for ages 5+**

## KEY MATERIALS

Robinia (Black Locust / False Acacia) is an extremely durable, rot resistant hardwood timber, with no need for treating. Each piece is sanded to create a smooth finish.

HDPE sheets are thermoplastic materials that are used in many of our products. The versatile properties, including UV stability, make it resistant to fading, moisture, weather, stain and graffiti. 19mm thick HDPE sheet material is used on the sides and wings of each slide.

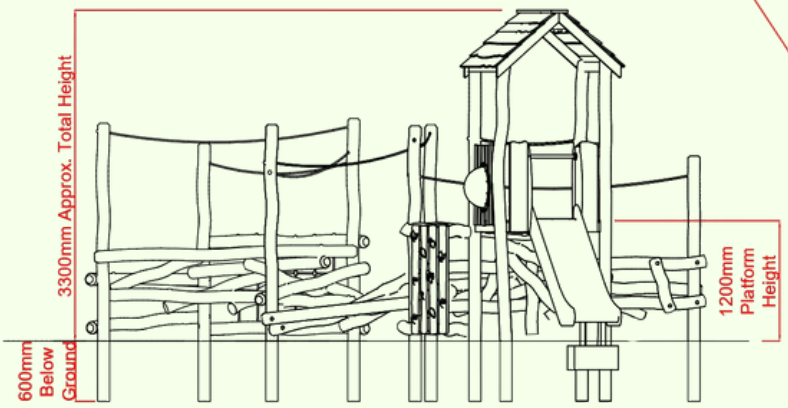

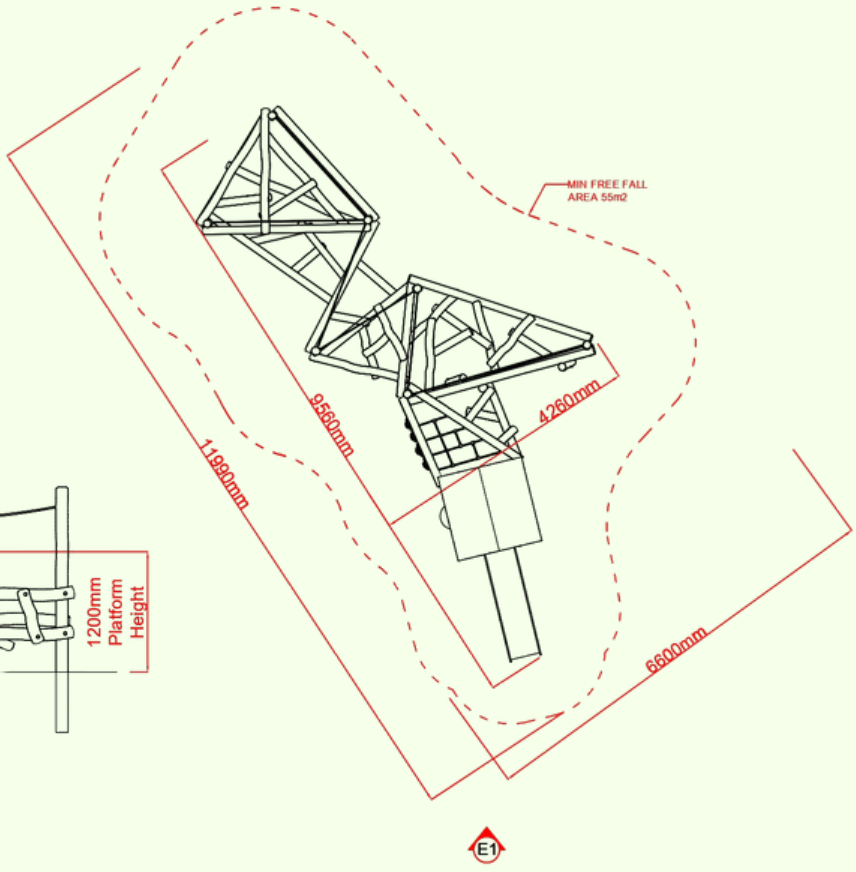

All our timbers are pressure-treated with a chrome-free and arsenic-free preservative which protects against decay and insect attack. Each piece is sanded to create a smooth finish.

# DRAWINGS

Free fall/surfacing area - Approx. 55m2
Max fall height - 1200mm

Contact us if loose-fill flooring is used (e.g., bark), as an extra 300mm will need to be allowed for into ground installation.

# Mam Tor (with Stainless Steel Slide Platform) Quadruple Scramble Stack
