Midhope
Single Toddler Swing

P-PE-S-1849

The Midhope Single Toddler Swing is an exciting yet charming addition to any outdoor area, designed to provide a thrilling, engaging and memorable swinging experience for younger children. Because it's a singular swing, this particular product is made more versatile as it can be installed into a wider range of play spaces.

Suitable for ages 0+

KEY MATERIALS

Robinia (Black Locust/False Acacia) is an extremely durable, rot resistant hardwood timber, with no need for treating. Each piece is sanded to create a smooth finish.

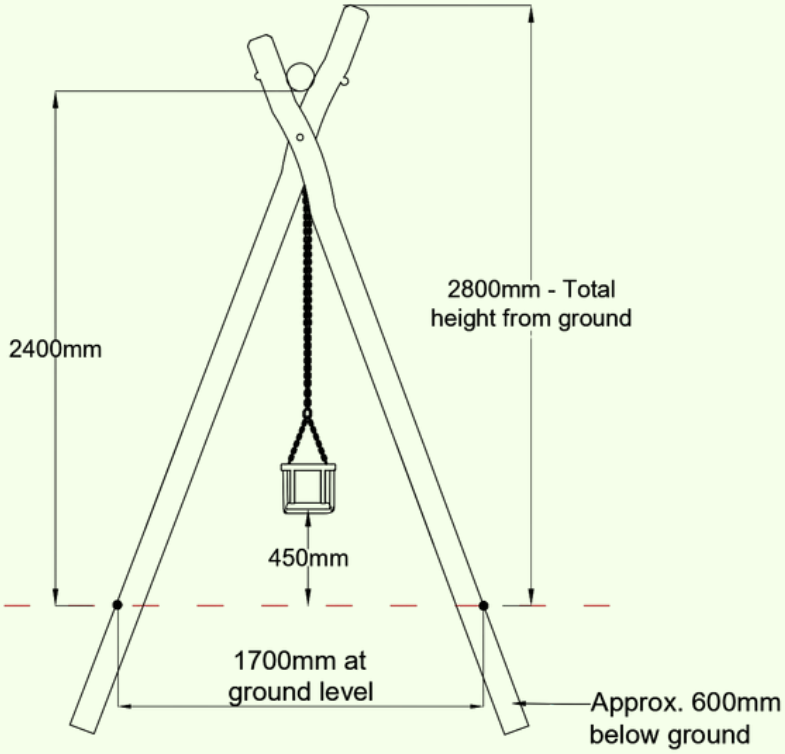

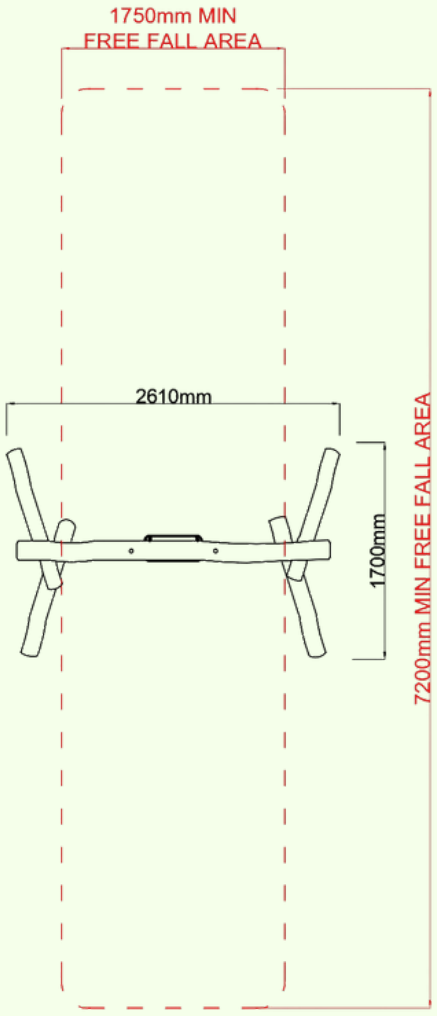

The swing seat is a compact, durable playground seat manufactured from rubber with an aluminium insert for added strength and longevity. Tested to EN1176 safety standards, making it suitable for commercial and public play environments.

DRAWINGS

Free fall/surfacing area - Approx. 12.6m2

Contact us if loose-fill flooring is used (e.g., bark), as an extra 300mm will need to be allowed for into ground installation.
