More Hall
Double Swing Set

P-PE-S-3013

The More Hall Double Swing Set is an exciting yet welcoming addition to any outdoor space, thoughtfully designed to provide an engaging, interactive, and memorable swinging experience for children of all abilities. Suitable for use by several children at once, it encourages shared play, social interaction, and inclusive fun. The accessible basket seat offers additional comfort and support, allowing more children to take part in the play experience with confidence. This makes the Swing Set a versatile and inclusive feature that can be enjoyed by children, carers, and families together.

Suitable for ages 3+

KEY MATERIALS

Robinia (Black Locust/False Acacia) is an extremely durable, rot resistant hardwood timber, with no need for treating. Each piece is sanded to create a smooth finish.

The accessible basket seat is designed for supportive, inclusive play, accommodating up to two users for seated or standing use and providing a secure, comfortable swinging experience for children of varying abilities.

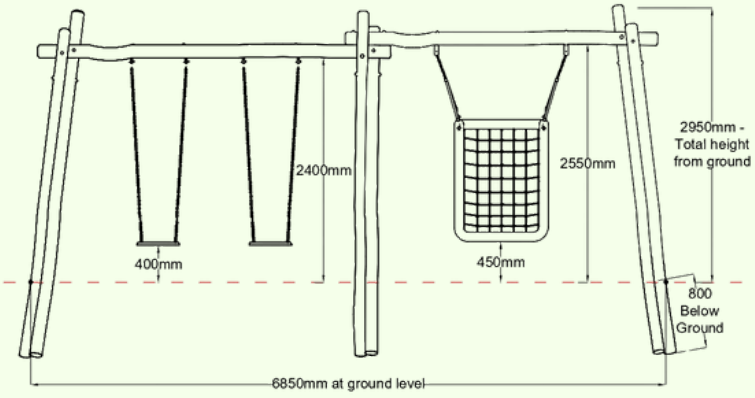

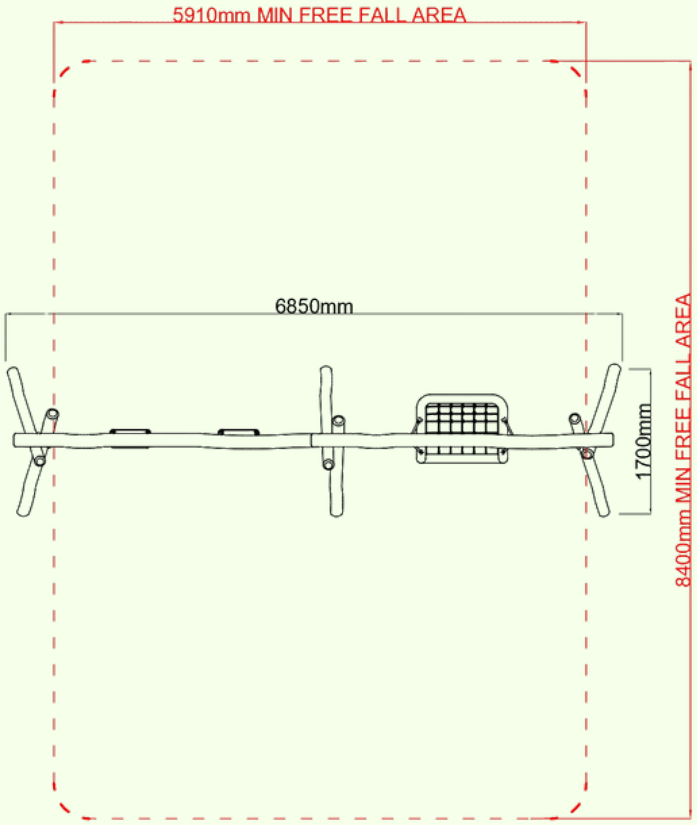

The swing seats are a compact, durable playground seat manufactured from rubber with an aluminium insert for added strength and longevity. Tested to EN1176 safety standards, making them suitable for commercial and public play environments.

DRAWINGS

Free fall/surfacing area - Approx. 50m2

Contact us if loose-fill flooring is used (e.g., bark), as an extra 300mm will need to be allowed for into ground installation.
