Redbrook
Low Basket Swing

P-PE-S-2881

The Redbrook Low Basket Swing is an exciting yet charming addition to any outdoor area, designed to provide an interactive, engaging and memorable swinging experience. Because this product can be used by more than one child at a time, it's perfect for social interaction and relationship-building through play, as it encourages co-operation, negotiation, turn-taking, and consideration, and due to the large basket size, it means adults are able to use it too.

Suitable for ages 3+

KEY MATERIALS

Robinia (Black Locust/False Acacia) is an extremely durable, rot resistant hardwood timber, with no need for treating. Each piece is sanded to create a smooth finish.

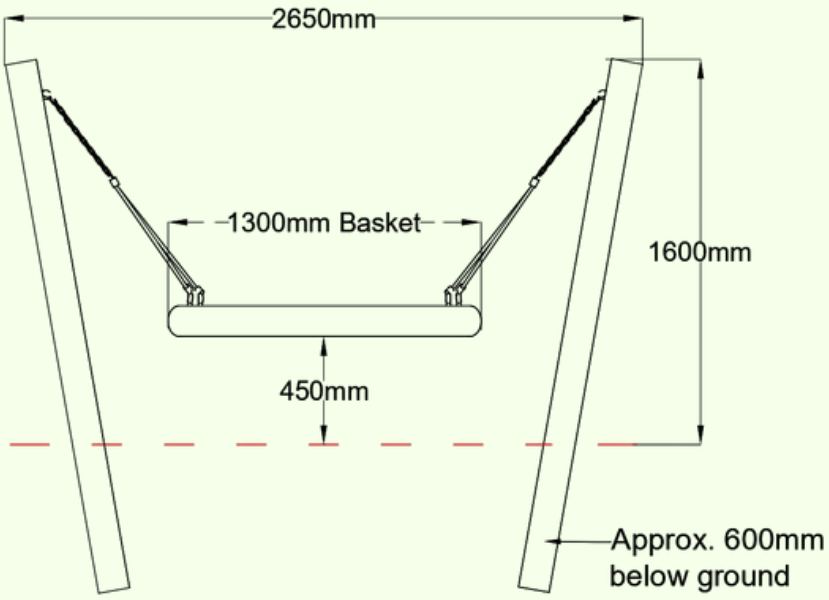

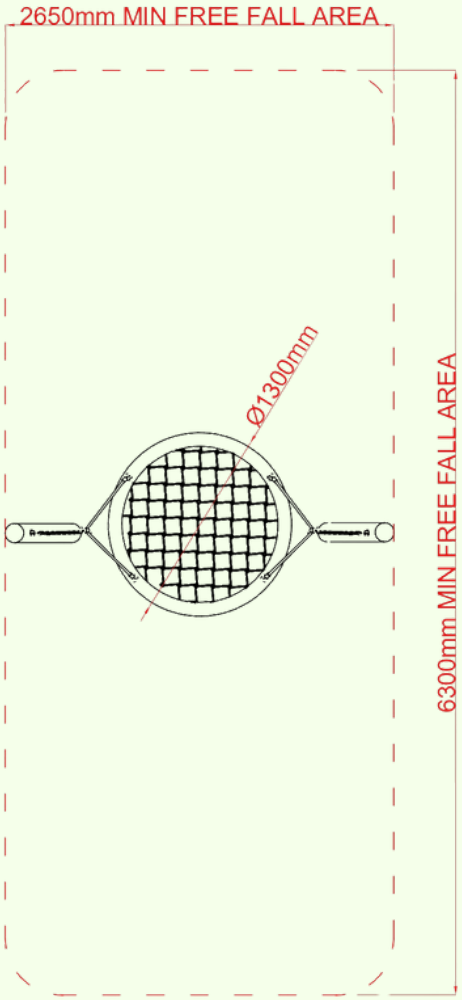

The 1300mm nest basket seat is made from 4 strand 16mm wire reinforced rope with 24mm polypropylene shock absorbing rope wrapped around a galvanised steel ring.

DRAWINGS

Free fall/surfacing area - Approx. 17m2

Contact us if loose-fill flooring is used (e.g., bark), as an extra 300mm will need to be allowed for into ground installation.
